Dear All

Call for applications or nominations of potential candidate(s) for Professor K. Balasubramanian Gold Medal

Jaffna Science Association annually awards Professor K. Balasubramanian Gold Medal to an outstanding scientist who has contributed to research achievement in any scientific field at the national level to the development of Sri Lanka. This year (2022/2023), JSA is happy to announce the call for applications or nominations for Professor K. Balasubramanian gold medal under the following criteria.

1. This AWARD is for an Outstanding Research Achievement in any scientific field at the National Level contributing to the development of Sri Lanka.
2. Credit will be given to the Achievements that have already resulted in a positive impact.
3. This prestigious AWARD which comprises a GOLD MEDAL and A CERTIFICATE will be presented at the Annual Sessions of the Jaffna Science Association (JSA).
4. The recipient of the AWARD shall be invited to deliver the "GOLD MEDAL AWARD LECTURE" at the Annual Sessions (February 2023).
5. The recipient of the AWARD can be an individual or a group involved in the Research calling for the AWARD.
6. Applications and nominations shall be made to the General Secretary on the prescribed Form.
7. Nominations are only entertained from the members of JSA, Higher Educational Institutes and Research Institutes.
8. Applications are entertained from any scientist (who has at least a postgraduate research degree in the respective scientific field).
9. The AWARD is open to the citizens of Sri Lanka for the research carried out in Sri Lanka.
10. Work previously presented and recognized for any award shall not be eligible for this AWARD.
11. Only those works that have been published in a prestigious international Journal during the last ten years shall be eligible for this AWARD.
