Comments to the Author
Please give specific comments on any weak areas and provide suggestions as to how the author(s) may improve quality of the paper
Title
Background/Introduction
Aim and Objectives
Methodology
Results and Discussion
Conclusions
Overall quality of Abstract

Please note that the extended abstract is solely for your refereeing purpose and the accepted abstracts will only be published in the "Proceedings of the Annual Sessions". Therefore, kindly make sure that the abstract itself stands alone.

Jaffna Science Association

யாழ்ப்பாண விஞ்ஞானச் சங்கம்

29th Annual Scientific Sessions 2022-2023

Score each criterion by placing a tick (✓) on the relevant cell
(5-Excellent, 1-Poor)

Criterion	5	4	3	2	1
Originality of the work					
Contribution to the field					
Appropriateness of research methodology					
Structure of the paper (Abstract)					
Clarity of language					

Recommendation (Please tick "✓" as appropriate):

1. Accepted for Publication
2. Accepted with minor revision
3. Accepted with major revision
4. Rejected
5. * Recommend full paper for JSA Journal

Please mark if review needed after correction

- * There is a special chance for publishing a full paper in the JSA Journal.
We are requesting you to recommend whether this paper is qualified for Journal.
